

3HO FOUNDATION INTERNATIONAL

eSolstice Summit

JUNE 19 - 21, 2020

Sat Nam! Thank you so much for participating in 3HO Foundation's first eSolstice Summit. We hope you enjoyed all of the amazing classes, Aquarian Sadhana, music, and opportunities for community connection.

This particular eSolstice breakout class was not recorded, in order to create a safe space and protect the privacy of all those involved.

We invite you to explore other recorded content on this site and hope to see you at another online event soon!
